I will review those when they arrive in the mail and inform you in my responses if I can recall them or not.

I presume you have not sent in the mail anything you are alleging is contraband. If that is the case, please inform me so that I can return the unopened envelope to you immediately upon its receipt.

Exhibits "A" and "B" are attached to the copy of the discovery requests that I have placed in the mail. They should inform you of exactly who I represent. I am sure you will recognize their images.
